

Home-Time Pickups

- For the first 4 weeks, we ask all parents (or an older sibling/relative – with prior notification) to pick their child up from the classroom. This helps us to ensure that all students have been picked up and don't get lost or upset if you are running a little late.
- We always keep the students in with us until 3.30pm. After this time we take the students down to the office to wait, and try to contact parents or emergency contacts if we can't reach you.
- Please notify your child's teacher if your child attends after school care at Rangebank Primary or at another centre. We can make a list of the days and the after school care service they attend. Rangebank before and after school care staff come to the classroom to drop off and pick up students. For students who attend other centres, we can walk them to the bus until they are independent enough to do this by themselves.
